Title: Treatment of Dual Consolidated Losses.

OMB Number: 1545-1083.

Regulation Project Number: INTL-399-88.

Abstract: Internal Revenue Code section 1503(d) denies use of the losses of one domestic corporation by another affiliated domestic corporation where the loss corporation is also subject to the income tax of another country. This regulation allows an affiliate to make use of the loss if the loss has not been used in the foreign country and if an agreement is attached to the income tax return of the dual resident corporation or group, to take the loss into income upon future use of the loss in the foreign country. The

regulation also requires separate accounting for a dual consolidated loss where the dual resident corporation files a consolidated return.

Current Actions: There is no change to this existing regulation.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other for-profit organizations.

Estimated Number of Respondents: 500.

Abstract: The regulation concerns the low-income housing credit under section 42 of the Internal Revenue Code. The regulation provides rules relating to the order in which housing credit dollar amounts are allocated from each State's housing credit ceiling under section 42(h)(3)(C) and the determination of which States qualify to receive credit from a national pool of credit under section 42(h)(3)(D). The regulation affects State and local housing credit agencies and

taxpayers receiving credit allocations, and provides them with guidance for complying with section 42.

Affected Public: Business or other for-profit organizations, not-for-profit institutions, individuals or households, and state, local or tribal governments.

Abstract: Foreign corporations are subject to U.S Income Tax on income that is effectively connected with a U.S. trade or business and are required to file a U.S Income tax return reporting taxable income. However, based on the public information available, it is not readily determinable without further research that US Income Tax compliance has been fulfilled. Therefore, IDRS will be utilized to determine if filing compliance has been met. This contact letter is sent to taxpayers who appear to have a U.S. trade or business and have not filed a U.S. Income Tax return or filed a protective 1120F.

Current Actions: There is no change in the paperwork burden previously approved by OMB. This form is being submitted for renewal purposes only.

Type of Review: Extension of a currently approved collection.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number.
